

PA Committee Technical Needs Form

This ministry desires to glorify God, edify the saints, and guide sinners towards salvation in a manner pleasing to God and aesthetically pleasing to the eyes and ears. This can best be accomplished by providing information such as: sermon title, scripture, Bible translation, theme, sermon/topic notes, etc., at least **two days prior to the scheduled event**; allowing committee members time to prepare your information to be displayed properly, and professionally. All information can be sent via email to stlukepa@coxinet.net.

INSTRUCTIONS: Place a check mark in the box beside all needed resources listed below.

Name/Requestor: _____ Event: _____

PA Committee Technical Needs Form

This form is intended to provide a list of resources available to enhance scheduled gatherings at the Saint Luke Baptist Church. The Wi-Fi Password will be made available as needed. Questions about available resources listed above should be directed toward Bro. Richard Bradley (405) 921-5518; committee chairman or, Rev. Jim Morbley (405) 413-3044; committee vice chairman. These resources will be provided as a service by members of the Saint Luke PA Committee.
