

# PA Committee Technical Needs Form

This ministry desires to glorify God, edify the saints, and guide sinners towards salvation in a manner that pleases God, and is aesthetically pleasing to the eyes and ears of man. We believe this can best be accomplished when you provide information such as: sermon title, scripture, Bible translation, theme, sermon and/or topic notes, etc., as well as media type, at least **two days prior to the scheduled event**; allowing enough time to properly, and professionally prepare your display. Please send your information to [stlukepa@coxinet.net](mailto:stlukepa@coxinet.net). **NOTE: No secular music will be broadcast on any of our equipment; this includes funeral video memorials.**

**INSTRUCTIONS:** Place a check mark in the box beside all needed resources listed below.

## **Main Sanctuary:**

Video Projector & Screen

DVD/CD Player

Computer

Microphones:
